SUBJECT: BLUE LANTERN LEVEL 3: POST-SHIPMENT END-USE CHECK
ON LICENSE 050109951

REF: 2006 BLUE LANTERN GUIDEBOOK

[1](#)1. This is an Action Request. See paragraphs 2 - 4.

The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests Post's assistance in conducting a post-shipment check on license 050109951 for the export of firearms to Italy. Post is requested to complete this Blue Lantern check within 45 days. Lack of response to a Blue Lantern check will affect pending and future licenses involving parties to this license.

[1](#)3. Reason for Request: PM/DTCC has never conducted a Blue Lantern check on end-user, Ditta Individuale Adriano de Rossi. In addition, this license authorizes the export of sniper-quality rifles.

[1](#)4. Action Request: Post is requested to establish the bona fides of end-user Ditta Individuale Adriano de Rossi as a legitimate recipient of the United States Munitions List (USML) items listed below. Post should also confirm that the rifles were received and verify the ultimate end-use of the rifles listed below. The following points are included for guidance:

(To Ditta Individuale Adriano de Rossi)

-- How long has your company been in the business of importing and selling defense articles in Italy? What services and products are sold by your company?

-- Who are your regular customers and where do they reside?

-- Are these kind of rifles usually sold to your customers individually or do they generally purchase more than one? For what do your customers use these firearms?

-- Does your company sell firearms to non-Italian citizens or residents? Are you familiar with the regulations governing the import of U.S.-origin defense articles, including restrictions on re-transfer or re-export?

In its reply, Post may also comment on any other information pertinent to these transactions such as security of facilities, thoroughness of record keeping and concerns about the entities involved.
